

i am many things
and I'm also

“

As a provider, I have
seen PrEP empower
Black women to
protect their health
on their own terms.

I know that I am,
you are, we are...
HIV Possible!

Communicating about sexual health with your sex partner is important. Here are some conversation starters.

"We can enjoy sex more if we know it's safer."

"I want us to have healthy and pleasurable sex."

"Have you ever heard of PrEP?"

"Did you know you can take an HIV self-test in the comfort of your own space?"
